Norview United Methodist Church Clothes Closet

Our mission is to help those in need while also selling quality used clothing to the public.

We are here to help!

Welcome to the Norview United Methodist Clothes Closet!

The cold weather is now upon us. As I write this we are experiencing some much needed rain. I hope all of you are happy, dry and healthy. The needs of this season are great and we are starting to feel the hit of the government issues! I would like to thank everyone who has contributed either time or items to the closet.

We are in great need of men's jeans, sweatshirts and men's shoes (size 9-11). We also need girls' clothing sizes 2T-6 (This includes coats, pants and shirts). Please pass this on to your friends and help spread the word so we can continue to help those in need.

Until next month, thanks for all the assistance!
God Bless,

Deb
